

Special Rules

Shotgun Rule

If your whole team shotguns a beer on a par 3 you get to move up a tee box. **Video evidence must be submitted to the league.**

Y/N

No Man Left Behind

Each scramble team must use 1 tee shot and 1 putt from each team member per 9 holes. Putt is final putt.

One Is All I Need

One non-par 3 per 9 will be randomly selected (via spin the wheel!). On that hole, each team must choose 1 club to use to complete the hole. From tee shot to putts.

Always have a DD

DD

Each team will select 1 team member to be the DD "Designated Drinker."

Each "beer"* consumed will lower overall team score by 0.5 stroke. Don't cheat.

*"Beer" is defined as alcoholic drink $\geq 4.0\%$ ABV and at least 12 oz per container. Any "beer" > 12 oz will still only count as 1 "beer"

\$\$\$

Prize
